persist. Seek immediate medical advice.		Seek immediate medical advice.	
After skin contact       Instantly wash with water and soap and rinse thoroughly.         After eye contact       Seek immediate medical advice.         After eye contact       Rinse opened eye for several minutes under running water. Then consult doctor.		Seek immediate medical advice.	
After swallowing Seek immediate medical advice.		Seek immediate medical advice.	
5 Fire fighting measures			
Suitable extinguishing agents Special hazards caused by the material, its products of combustion or flue gases: CO2, extinguishing powder or water jet. Fight larger fires with water jet or alcohol-resistant foam. Con be released in case of fire:	Special hazards caused by the material, its		
Carbon monoxide and carbon dioxide Nitrogen oxides (NOx)	products of combustion of fide gases.	Carbon monoxide and carbon dioxide	
Hydrogen bromide (HBr) Protective equipment: Wear self-contained breathing apparatus.	Protective equipment:	Hydrogen bromide (HBr) Wear self-contained breathing apparatus.	
Wear full protective suit.		Wear full protective suit.	
6 Accidental release measures Person-related safety precautions: Wear protective equipment. Keep unprotected persons away.		Wear protective equipment. Keep unprotected persons away.	
Measures for environmental protection: Do not allow material to be released to the environment without proper governmental permits.	Measures for environmental protection:	Ensure adequate ventilation Do not allow material to be released to the environment without proper governmental permits.	
Measures for cleaning/collecting:       Ensure adequate ventilation.         Additional information:       See Section 7 for information on safe handling         See section 8 for information on personal protection equipment.		Ensure adequate ventilation. See Section 7 for information on safe handling	
See Section 3 for information on disposal.		See Section 13 for information on disposal.	
7 Handling and storage			
Handling Information for safe handling: Keep containers tightly sealed. Store in cool, dry place in tightly closed containers.		Keep containers tightly sealed.	
Information about protection against	Information about protection against	Ensure good ventilation/exhaustion at the workplace.	
explosions and fires: Keep ignition sources away - Do not smoke. Storage	explosions and fires:	Keep ignition sources away - Do not smoke.	
Requirements to be met by storerooms and containers: No special requirements.	Requirements to be met by storerooms and	No special requirements.	
Information about storage in one common storage facility: Store away from oxidizing agents.	Information about storage in one common storage facility:		
Further information about storage conditions:	Further information about storage conditions:		
Store in cool, dry conditions in well sealed containers.			
8 Exposure controls and personal protection Additional information about design of			
technical systems: Properly operating chemical fume hood designed for hazardous chemicals and having an average face velocity of at least 100 feet per minute.	technical systems:	Properly operating chemical fume hood designed for hazardous chemicals and having an average face velocity of at least 100 feet per minute.	
Components with critical values that require monitoring at the workplace:       Not required.         Additional information:       No data	monitoring at the workplace:	Not required.	
Personal protective equipment General protective and hygienic measures The usual precautionary measures should be adhered to in handling the chemicals.		The usual precautionary measures should be adhered to in handling the chemicals.	
Keep away from foodstuffs, beverages and food.		Keep away from foodstuffs, beverages and food. Instantly remove any soiled and impregnated garments.	
Wash hands during breaks and at the end of the work. Avoid contact with the eyes and skin. Use breathing protection with high concentrations.	Breathing equipment:	wash hands during breaks and at the end of the work. Avoid contact with the eyes and skin. Use breathing protection with bid concentrations	
Breathing equipment: Use breathing protection with high concentrations. (Contd. on page 2)	Sreathing equipment.	(Contd. on page 2) GB	

Trade name 5-Amino-4-bromo-1-methyl-	-1H-pyrazole	
(Contd. of page 1)		
Protection of hands: Material of gloves	Check protective gloves prior to each use for their proper condition. The selection of the suitable gloves does not only depend on the material, but also on further marks of quality and varies from manufacturer to manufacturer. Impervious gloves	
Penetration time of glove material Eye protection:	Not determined Safety glasses Face protection	
Body protection:	Protective work clothing.	
9 Physical and chemical properties: General Information		
Form: Colour: Smell:	Powder Cream coloured Odourless	
Change in condition Melting point/Melting range: Boiling point/Boiling range: Sublimation temperature / start:	96-101°C Not determined Not determined	
Flash point:	Not applicable	
Ignition temperature:	Not determined	
Decomposition temperature:	Not determined	
Danger of explosion:	Product is not explosive.	
Critical values for explosion: Lower: Upper:	Not determined Not determined	
Steam pressure:	Not determined	
Density	Not determined	
Solubility in / Miscibility with Water:	Insoluble	
10 Stability and reactivity		
Thermal decomposition / conditions to be		
avoided: Materials to be avoided:	No decomposition if used and stored according to specifications.	
Dangerous reactions:	Oxidizing agents No dangerous reactions known	
Dangerous products of decomposition:	Carbon monoxide and carbon dioxide	
l	Nitrogen oxides (NOx) Hydrogen bromide	
11 Toxicological information		
11 Toxicological information		
Acute toxicity: Primary irritant effect:		
on the skin:	Irritant for skin and mucous membranes. Irritant effect.	
on the eye: Sensitization:	Irritant effect. No sensitizina effect known.	
Additional toxicological information:	No sensitizing effect known. To the best of our knowledge the acute and chronic toxicity of this substance is not fully known. No classification data on carcinogenic properties of this material is available from the EPA, IARC, NTP, OSHA	
	or ACGIH.	
12 Ecological information:		
Additional ecological information:		
General notes:	Generally not hazardous for water. Do not allow material to be released to the environment without proper governmental permits.	
12 Dispassi considerations		
13 Disposal considerations Product:		
Recommendation	Hand over to disposers of hazardous waste.	
1	Must be specially treated under adherence to official regulations. Consult state, local or national regulations for proper disposal.	
Uncleaned packagings: Recommendation:	Disposal must be made according to official regulations.	
14 Transport information		
Land transport ADR/RID and GGVS/GGVE (	cross-border/domestic)	
ADR/RID-GGVS/E Class:	None	
Maritime transport IMDG/GGVSea: IMDG/GGVSea Class: Marine pollutant:	None No	
Air transport ICAO-TI and IATA-DGR: ICAO/IATA Class:	None	
Transport/Additional information:	Not dangerous according to the above specifications.	
15 Regulatory information Designation according to EC guidelines: Code letter and hazard designation of product:	Xi Irritant	
l		
Risk phrases:	36/37/38 Irritating to eyes, respiratory system and skin.	
Safety phrases:	26 In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. 37 Wear suitable gloves.	
1	(Contd. on page 3)	

Revision: 23.09.2010

Trade name 5-Amino-4-bromo-1-methyl-1H-pyrazole		
	(Contd. of page 2)	
National regulations		
Information about limitation of use:	For use only by technically qualified individuals. Employment restrictions concerning young persons must be observed.	
Water hazard class:	Generally not hazardous for water.	
16 Other information: Employers should use this information only as a supplement to other information gathered by them, and should make independent judgement of suitability of this information to ensure proper use and protect the health and safety of employees. This information is furnished without warranty, and any use of the product not in conformance with this Material Safety Data Sheet, or in combination with any other product or process, is the responsibility of the user.
